Mark

The June 6 schedule has been confirmed! However, CONI still does not know if they can join the Green Sport Alliance - they "need to study more" the issue...

NEWS:
President of National Baseball Federation Andrea Marcon offered to host a lunch at the center after the baseball practice.
Let me know if this is acceptable for Admin Pruitt.

Dear All

I spoke with Marguccio about Bologna agenda. He accepted the "more intimate settings" of the Food Waste event as proposed by EPA (attached), and will inform the Italians about it to find a good location. For the rest he proposed the following:

13.30 - 13.40 Welcome by Minister Galletti and Unindustria Bologna President Alberto Vacchi in a private room of the restaurant (Minister +1; Pruitt +1; Vacchi and an interpreter)
13.40-14.30 Lunch (location TBD) - (translation will be provided not clear how) - CG [REDACTED] more than welcomed
14.30-15.00 Pruitt-Galletti Bilateral
15:00 Departure for Food Waste Event
15.15 Event "Showcase of Innovative Food Waste Approaches " starts

Best
Fede

PS: ESTH is preparing briefing material for each event (both in Rome and Bologna)

Hello Stefano,

Administrator Pruitt welcomes the lunch with entrepreneurs suggested by Minister Galletti. I believe that Hodayah will also want to recommend some U.S. businesses that will be joining us for the G-7.

Regarding the Food Waste event, we are considering some alternative approaches to Showcasing Innovative Food Waste Approaches in a more intimate setting. Hodayah and I will get back to you with some ideas later next week.

Best regards. I hope you are having a wonderful weekend.
